

INTEGRATED BUSINESS FIELDS

DIVERSIFIED OPERATIONS. CONNECTED IMPACT. NATIONAL PROGRESS.

ARIDOD Group operates across six core business fields that drive infrastructure, innovation, sustainability, and inclusive development-creating value at every stage of the nation's growth journey.

OUR CORE BUSINESS FIELDS

01  ENGINEERING & CONSTRUCTION  End-to-end engineering, design, construction and project management delivering infrastructure excellence with quality and safety.	02  AGRO PRODUCTS  Sourcing, processing and supplying high-quality agro products that support food security, rural livelihoods and national nutrition.	03  HEALTHCARE SUPPLY  Reliable supply of quality medicines, medical equipment and consumables to strengthen healthcare delivery and community wellbeing.
04  SOLAR ENERGY  Delivering innovative solar solutions for clean, affordable and sustainable energy for homes, businesses and industries.	05  CONSTRUCTION SUPPORT  Providing skilled manpower, equipment and support services that ensure seamless execution of projects across the sector.	06  DIGITAL MEDIA  Delivering trusted news, insights and storytelling across platforms that inform, engage and empower communities.

OUR INTEGRATED VALUE CHAIN

STRATEGIC BENEFITS

 DIVERSIFIED PORTFOLIO Balanced presence across six high-impact sectors minimizes risk and strengthens resilience.	 CROSS-SECTOR VALUE Synergy across businesses creates integrated solutions and multiplies impact for clients and partners.	 NATIONAL CONTRIBUTION Driving infrastructure, employment, innovation and sustainability for Bangladesh's progress.	 SUSTAINABLE GROWTH Building long-term value through responsibility, efficiency and future-ready investments.
