

OUR JOURNEY

GROUP EVOLUTION TIMELINE

From a shared vision to a diversified enterprise - delivering solutions that build, power, nourish and connect communities across Bangladesh and beyond.

2013

FOUNDATION

ARIDOD Group is established with a vision to create sustainable value through integrated solutions in engineering, trade, and development.

2015

ENGINEERING

Expanded into engineering services, project execution, and technical consultancy-delivering quality and reliability across sectors.

2017

AGRO

Entered the agro sector with a focus on agro-products, marketing, and supporting rural value chains.

2019

HEALTH

Ventured into healthcare distribution and solutions, ensuring access to essential medicines and health products.

2021

SOLAR

Invested in renewable energy by launching solar solutions for homes, businesses, and industries.

2023

CONSTRUCTION SUPPORT

Strengthened project delivery with construction support services and end-to-end site solutions.

2024

MEDIA

Launched ARIDOD Media to inform, inspire, and connect communities through trusted digital content.

2026+

BEYOND

Continuing our journey of innovation, partnership, and impact-building a better tomorrow.
